

Beth Tyson Trauma Consulting

Professional Services & Rates

I partner with organizations that are ready to elevate their work with children and families through trauma-informed, healing-centered practices. My approach blends evidence, lived experience, and decades of hands-on practice in child welfare and early childhood mental health.

Below you'll find my baseline rates so you can plan with clarity and confidence.

Workshops & Keynotes

Virtual Workshops

\$2,000 minimum (per session)

Live, interactive experiences for agencies, nonprofits, and professional teams seeking practical, research-aligned tools they can use the very same day.

- 60–120 minutes
- Includes digital handouts
- Optional add-on: 30-minute debrief consult
- Option to license the recording for replay with staff

In-Person Workshops

\$5,000 minimum (plus travel)

Designed for conferences, continuing education, and leadership retreats.

- 60–180 minutes
- Customization based on your population

- Includes digital handouts and resource list

Organizational Consulting

Trauma-Informed Systems Consulting

Starts at \$300/hr or custom project rate

Support for agencies navigating culture change, family-time improvement, staff regulation strategies, burnout prevention, and trauma-responsive policy design.

Program Implementation & Evaluation

Custom proposal

From pilot trials to multi-month implementation of frameworks like the FIRST YEARS Framework or the HEART Framework for Healing-Centered Family Time.

Includes coaching, fidelity planning, and outcome tracking.

Curriculum & Training Development

Custom Curriculum Creation

Starts at \$300/hour

Development of full training programs, certification pathways, facilitator toolkits, and turnkey curricula for agencies, universities, and child-serving systems.

Train-the-Trainer Programs

Custom proposal

Equips your team to confidently deliver trauma-informed content in-house. Includes participant materials, slide decks, facilitator scripts, and evaluation tools.

Behavioral Health Tech Consulting

Clinical & Trauma-Informed Product Consulting

\$350/hr or retainer packages available

For startups, behavioral health platforms, and technology companies seeking:

- Expert review of clinical content
- Trauma-informed design guidance
- Risk-mitigation support
- Research alignment and ethics consultation

Why Organizations Work With Me

My work is rooted in attachment science, childhood trauma research, ambiguous loss theory, and a deep respect for the lived experiences of the families we serve. I partner with organizations that want clarity, integrity, and evidence-backed solutions that elevate both workforce wellbeing and child safety.

Contact Beth Tyson Trauma Consulting to set up a time to discuss your vision and how we can partner together to make the world a safer, healthier place for children.
